School Values and School Promise

Dear Parents/Carers,

In the last academic year, we introduced our school values and these are something we focus upon frequently in school:

Honesty – being fair and truthful at all times.

Respect – for yourself, your family and your community.

Pride – in everything you do; to aspire to be the best version of you.

Resilience – recovering from difficulties, attempting things that will be hard and challenging.

Teamwork – working successfully with others.

Happiness – enjoying school and embracing life.

Today, we introduced our School Promise. This is something we would like all of the children to know and truly believe in. We hope that every child at Ellington will embrace our values and carry them with them for the rest of their lives.

Our School Promise is:

Pride gives us strength in all we do;

Resilience keeps us going, trust in **teamwork** too.

Respect for one another; **honesty** is key;

Happiness for everyone in our community.

If you could talk to your child about our school values and school promise regularly and also refer to these in things that they do, it would further strengthen embedding these values.

As always, thanks for your support.

Best Wishes,

Mr Hodgson
Headteacher
