

English

Our reading text will be Holes by Louis Sachar where the children will expand their vocabulary whilst developing their retrieval and inference skills. Our writing stimuli will consist of the Unspoken by Henry Cole and Yusra Swims by Julia Aberly (picture book and non-fiction link).

Science

During our 'Reversible and Irreversible Changes' unit, children will explore dissolving, filtering, evaporating and burning of materials.

 **French** Children will learn about plants and animals that live in different habitats.

Maths

Children begin every maths lesson with their 20-minute CLIC session (Counting, Learn Its, It's Nothing New and Calculation). The focuses for this half term will be Big Math's Wider Maths, specifically Amounts and Shape. Children will learn about amounts of temperature, time and turns, 2D / 3D shapes and position and direction.

Ellington Primary School

YEAR 5

CURRICULUM MAP

Summer 2

History

During our census unit, children will work with primary and secondary sources to interoperate what the census tells us about our local area.
