

English

This half term, we will continue reading 'The Abominables' by Eva Ibbotson and we will begin 'Fortunately the Milk' by Neil Gaiman. In writing, we will be doing some entertaining writing based on 'The True Story of The Three Little Pigs' by Jon Scieszka and we will use 'The Abominables' to do some writing to inform.

Science

We will continue our chemistry topic all about the Earth, building on our understanding of rocks and fossils from last half term to explore and test different soils. We will then move on to begin to look at plants.

Maths

We will start the half term by completing a unit of work on shape, looking at symmetry, regular and irregular polygons and congruent shapes. We will then start to focus on doing calculations with units of distance, mass, money and space.

French

We will learn 10 French action verbs, so that we can make sentences using 'je peux' (I can) or 'je ne peux pas' (I can't).

YEAR 3 CURRICULUM MAP

History

We will focus on British history, investigating why the Romans invaded and settled in Britain. We will explore the reaction of the Celts and how the Romans changed life in Britain.

Spring 2

Believe and achieve

Computing

We will be learning how to open and respond to an email and how to use email safely.

Art & Design

We will be developing an understanding of shading and drawing techniques to create botanical inspired drawings.

PE

This half term, we will be developing our throwing and jumping skills. We will also continue our weekly swimming lessons.

PSHE

We will learn about citizenship including children's rights; why we have rules and roles of local community groups, charities and recycling and local democracy.

Music

We will continue to work on pentatonic melodies and composition, as well as developing our singing technique.

RE

We will be focusing on Judaism. Our learning will be around the enquiry question 'How do festivals and family life show what matters to Jewish people?'
