School Dinners

Dear Parents/Carers,

We are pleased to share our new summer school dinner menus, which start W/C 12th May.

School dinners at Ellington are made fresh to order each day and our menus are run on a three-week rotation. All school dinners must to be ordered in advance from home.

Soon, we will be introducing a new app to parents which we expect to go live in September for the 2025/26 academic year. The new app will replace all other apps we currently have, so that you have access to dinners, clubs, trips, parents' consultations and communications all in one place. Further information will follow. Until then, you can continue to use [School Grid](#) as normal to order and pay for school meals.

In preparation for this change, we have streamlined the school dinner menu to have two food options per day. There will be a main option and an alternative to choose from when you order. We have looked at previous weeks and decided the alternative option based on popularity. We have kept some firm favourites on the menu, such as Roast Dinner and Chicken Goujons as well as introducing some new options such as All-day Breakfast and Chicken & Bacon Pasta Bake.

If you have any queries, please do not hesitate to contact me.

With best wishes,

Mrs J. Dyer
Office Manager

Headteacher: Mr K Hodgson
