

In Literacy, children will listen and respond to our key texts. We will begin to answer simple questions about a story. The children will take part in Phase 1 Phonic activities which will develop their speaking and listening skills. The children will be encouraged to make marks in different ways and ascribe meaning to these marks. The children will develop awareness of the letters in heir names.

Understanding the World

The children will learn about different celebrations and begin to compare them. We will develop our understanding of Diwalli and how other cultures celebrate. We will explore our natural environment and use our senses to talk about the changes in seasons.

Ellington Primary School

Nursery CURRICULUM MAP

Autumn 2: Sparkle and Shine

Maths

This half term, we will continue to consolidate our knowledge on colours and patterns. We will introduce the number of the week to develop our number sense within 5. We will explore with 2-D shapes and begin to describe properties.

Physical Development

The children will use lots of different tools to develop their fine and gross motor skills. They will thread cheerios to create bird feeders. In the garden, we will model creating assault courses with our large construction to develop our core strength.

Communication and Language

The children will continue to develop their vocabulary through our key stories and topics. The children will be encouraged to join in with repeated phrases in our stories. In our key groups, the children will have the opportunity to listen an respond to questions.

Expressive Art & Design

Children will be able to explore a range of resources and decide what to make. They will create using diya lamps using clay and explore how to use the resources in the creative area. The children will learn simple songs and clap ame syllables to a beat.

Key Stories

Per sonal, S ocial & Emotional Development

Our big focus this half term is developing our independence skills which will help us put our waterproofs/coats on. We will continue to learn about the different feelings and begin to ask our friends how they are feeling today.
