

## Year 5 home learning: Week beginning 23<sup>rd</sup> November

Please use our  
year group email  
account if you  
have any  
questions about  
the work set:

[year5.ellington@  
school360.co.uk](mailto:year5.ellington@school360.co.uk)

### Maths:

- Monday: Measure perimeter
- Tuesday: Perimeter on a grid
- Wednesday: Perimeter of rectangles
- Thursday: Perimeter of rectilinear shapes
- Friday: Calculate perimeter
- Homework: Please log onto <https://trockstars.com/> and practise the times tables set. Please practise in the 'garage' so that you will automatically move on to make progress through the different times tables.
- Additional homework: In School360 → Busy Things, complete one or more of the assignments 'Measuring and Calculating Perimeters', 'Calculating perimeters – Level 1' and 'Level 2'.

### English:

- Monday: Prefixes and suffixes
- Tuesday: Spelling words with 'igh'
- Wednesday: Word classes
- Thursday: Plural nouns
- Friday: Exclamations
- Homework: Practise this week's spelling list on [www.spellingshed.co.uk](http://www.spellingshed.co.uk)

### Foundation Subjects:

- Science: Find out about dissolving using this [link](#). Watch the video and complete the activity and quiz. Can you test whether flour, salt, sugar, coffee, gravy, chalk and rice are soluble? With adult support, you could also investigate the effects of heat on dissolving using the sheet (found underneath this plan).
- History: Read [this](#) information about early Anglo Saxons beliefs (we will look at the introduction of Christianity next week). Investigate the pagan gods and make up a quiz (with answers) using the information. Your quiz can be presented however you choose e.g. question cards, a crossword etc.
- Art/DT: Complete the art activity (file found underneath this plan) using the section of the Bayeux Tapestry that you sketched last week.
- Music: Download the audio track and listen to the song 'Winter Wonderland'. Lyrics can be found [here](#). Can you learn the song and sing along with the track?
- PE: Complete session one of the BBC dance workshop 'Winter Sports' [here](#).
- Computing: Using selection: Have a go at any of the activities called 'Bouncing Penguin' [here](#).
- RE: Learn about the main Christian festivals that happen every year. Use this [link](#). In class we will be linking these festivals to some of the pagan festivals celebrated by the Anglo-Saxons.
- Homework: Computing: Practise with Scratch by following this link: <https://hourofcode.com/scratchcartoon>. If you create a Scratch account at home (or can remember your login for the school account) then you could remix and share your animation, and send the link by email or through Seesaw to show us.
