

English

Our reading text will be Holes by Louis Sachar where the children will expand their vocabulary whilst developing their retrieval and inference skills. Our writing stimuli will consist of Road's End (animation) and War Horse (fiction). We will be writing with the purpose to entertain and inform.

Science

This half term we will be exploring 'Properties of Materials' where we will experiment with a variety of different materials and analyse their properties.

French

We will be learning The Romans in our new topic.

Maths

We will be finishing our unit on fractions before progressing to properties of shape. In this unit we will be exploring regular and irregular polygons, 2-D and 3-D shapes, and solving problems regarding shapes. We will then learn to measure angles using a protractor, drawing our own angles correctly and also to calculate angles on straight lines and around a point.

Ellington Primary School

YEAR 5 CURRICULUM MAP Summer 1

Geography

Our topic will be 'Why Do Oceans Matter?' and we will be exploring problems and solutions for many oceans.

Design & Technology

Throughout our 'Food: What could be healthier?' unit, we will be analysing and evaluating world foods.

PSHE

We will be continuing our unit 'Citizenship' to explore the law, rights / responsibilities, protecting the planet and parliament.

Believe and achieve

Music

Our topic is 'Dancing In The Street by Martha And The Vandellas' where elements of music (pulse, rhythm, pitch etc), singing and playing instruments are all linked.

Computing

During our 'Vector Drawing' unit we will be creating images in Google Drawing using layers and groups of objects.

PE

Our Striking and Fielding topic will focus on tennis where we will be practising our racket and ball skills.

RE

Our focus will be on Christianity this half term where we will be exploring how they live and the stories of Jesus Christ.
