

English

This half term, we will do some informative writing based on the 'Abominables' as we write biographies of a character in the book. We will be doing some entertaining writing based on 'Leon and the Place Between' by Angela McCallister. In reading, we will start 'Fortunately the Milk' by Neil Gaiman.

Science

In our new science unit, we will be learning all about the parts of flowering plants. We will grow a variety of plants as well as examining flowers closely, learning in detail about the plant life cycle and pollination.

Maths

We will be learning the 8x table. We will extend our knowledge of formal column methods for different calculations. We will also be deepening our understanding of fractions.

French

We will complete a unit of work on ordering ice creams using the phrase 'Je voudrais'.

Geography

We will be looking at how land is used in our local area and how this has changed over time.

Design & Technology

We will design, develop a program, house and promote a Micro:bit electronic charm to use in low-light conditions.

PSHE

We will be learning about children's rights, exploring why we have rules, the roles of local community groups, charity, recycling and local democracy.

Ellington Primary School **YEAR 3** **CURRICULUM MAP**

Summer Term 1

Music

This half term, we will develop our skills in singing and performing together as we work hard to get our year 3/4 show 'You Are Special' ready.

Computing

We will be learning about spreadsheets. We will use 2Calculate to collect data and produce graphs.

PE

This half term we will be working on our swimming skills. We will then work on invasion games, particularly focusing on netball.

RE

We will be focusing on Christianity. Our learning will be around the enquiry question 'What kind of world did Jesus want?'
