

English

During reading, we will be exploring the novel *There's a Boy in the Girls' Bathroom* by Louis Sachar. In English lessons, we will be using texts such as *My Shadow is Pink*, *Where the Forest Meets the Sea* and *A Midsummer Night's Dream* to write to inform, persuade and entertain.

Science

We will be finishing out unit of work on Sound and then moving on to Electricity, making circuits and exploring insulators and conductors.

French

The unit will be *Je me Presente*, giving information about ourselves.

Maths

We will be using this half term to revisit the four operations (addition, subtraction, multiplication and division with remainders) as well as fractions—there's such a lot to remember—and also cover units on time and symmetry.

Ellington Primary School YEAR 4 CURRICULUM MAP

Geography

We will be exploring what rivers are (their physical features) and how they are used.

Design & Technology

Pupils will apply their knowledge from science to design and develop a torch.

PSHE

We will be finishing our unit on economic well-being as well as working on citizenship and transition to Year 5

Believe and achieve

Music

Pupils will again receive music tuition from a tutor from the Music Partnership. They are learning to perform a variety of songs on the cornet.

Computing

'Repetition in Games': Using Scratch to explore count-controlled infinite loop

PE

Pupils will develop their abilities in track and field events such as sprinting.

RE

How and why do people mark the significant events in life? This unit allows pupils to compare religious and non-religious beliefs.
