

## English

We will continue to read and study 'The Graveyard book' by Neil Gaiman.

In writing, children will study two visual stimuli from the Literacy Shed: 'The Piano' and 'Pandora'. Children will write for different purposes, including to entertain the reader.

## Science

Pupils will learn how light travels and how animals (including humans) see objects. In addition, we will be completing a sustainability unit on light pollution.

## Maths

In addition to revising content for the SATs, children will be learning how to find the area of compound shapes, read and interpret pie charts, and read and measure angles.

*Ellington Primary School*

# YEAR 6

# CURRICULUM MAP SPRING TERM 2

## Geography

Children will learn about where our energy comes from, and the impact on society, the economy and the environment.

## Computing

Children will learn the importance of E - Safety: 'They will also study Webpage Creation': Considering copyright, aesthetics and navigation.

## Design & Technology

Children will design and make apparatus for a playground. They will then evaluate their designs within the landscape.

## PE

Children will take part in netball and basketball, understanding the rules and their position within a team.

## PSHE

Children will be learning about human rights, food choices and the environment. They will study citizenship and democracy.

## RE

Children will be studying Christianity, and what Christians believe Jesus did in order to save people.
