

English

Our class text for this term is *There's a Boy in the Girls' Bathroom* by Louis Sachar which we will be using for reading lessons. In Writing, we will be writing a diary entry based on William Shakespeare's *A Midsummer Nights Dream* and writing a story inspired by the video clip *Ruin*.

Science

In Science we will be studying two biology units this half term. First, we will be looking at the digestive system and finally we will be looking at food chains.

French

Children are learning about how to have a discussion in a French tea room or café.

Maths

This half term, we are going to have our Multiplication Tables Check in the first two weeks. We will also be focussing on shape by recognising lines of symmetry even when it does not dissect the shape. We will also be using coordinates to draw simple 2D shapes. In amounts we will be drawing and measuring lines to the nearest millimetre. We will also be converting between different units of measure like litres and millilitres.

Ellington Primary School

YEAR 4

CURRICULUM MAP

Geography

What are rivers and how are they used? We will recap the water cycle and then look at how rivers are formed and also how they are used.

Design Technology

Torches: We will be evaluating different types of torches before designing, building and evaluating our own.

PSHE

Economic Wellbeing: We will look at the value of money and how to keep track of it as well as discussing careers and career changes.

Summer Term 1

Believe and achieve

Music

In Music we are continuing to have brass lessons with Mrs Chinnery the peripatetic music teacher.

Computing

E safety: Managing online reputation. In our main sessions, we will be using various pieces of software to write for different audiences.

PE

This half term we are completing units of work on athletics and orienteering.

RE

We will be comparing different religions by asking how and why do people mark significant events in life?
