

English

We are continuing to read *Varjak Paw* by S.F. Said this half term. We will also be completing written work inspired by this book. In addition we are writing monologues inspired by the book *The Man who Walked Between Towers* by Mordecai Gerstein.

Science

In Science we will be studying the Physics based unit of 'Electricity'. We will be learning about how to build circuits as well as the difference between conductors and insulators.

French

Children are learning about how to talk about their family in French.

Maths

This half term, we are working on shape by looking at the 'quadrilateral family' as well as using coordinates and making quadrants. In Amounts we will be looking at moving between analogue clocks and the 24 hour digital clock. We will also be sorting and ordering amounts of turn by looking at angles. In Data we will be reading timetables.

Ellington Primary School

YEAR 4

CURRICULUM MAP

Geography

Where does our food come from? Looking at how food choice effects the environment.

Design Technology

Mechanical systems: On DT day we will be making a slingshot car.

PSHE

Citizenship including what are human rights?

Spring Term 2

Believe and achieve

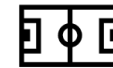

Music

In Music we will be looking at Haikus, music and performance to describe the outdoors.

Computing

E safety: Health, wellbeing and lifestyle. Audio production, making podcasts and considering copyright.

PE

It is our last half term of swimming lessons. We will also play hockey.

RE

We will be answering the question, Why do Christians call the day Jesus died Good Friday?
