

Ellington Primary School

28.1.22

Dear Parents/Carers,

It has been brought to our attention that the T-shirts ordered, which are size age 12, are not of the same quality as the smaller T-shirts. They are also shorter length wise than the T-shirts aged 9-10, which are a different brand.

If this is the case with your child's T-shirt, please come to the school office and let us know. We have a sample of XS adult in the office, which is the same brand as the smaller t-shirts, should you wish your child to try this on in school. We will replace any T-shirts which are not the correct size or where the quality is not acceptable.

Sorry for any inconvenience.

Best Wishes,
Mr Hodgson
