

# Northumberland County Council

To all the schoolchildren, staff and Governors

We wanted to say a big hello from Northumberland County Council and to say a big thank you to you for everything that you are doing to support us. This includes the lovely pictures and rainbows that you have been sending our staff and displaying at school and at home. If you or your school would like to send us more pictures, please send them to the address below or you can see them posted on twitter by following @N\_LandCouncil or on our Northumberland County Council Facebook page. We are going to keep all of the pictures sent to us so we can make a number of public displays with them in the future.

We know that many of your schoolchildren are at home, but we have heard that you are still doing some learning and of course washing your hands regularly. Maybe one day you will be a social worker, teacher, refuse collector, highways inspector or another member of our team here at the Council. You are part of our #TeamNorthumberland and we thank you for everything you are doing to support our staff working in Northumberland.

For all teachers, thank you if you are looking after our children whilst we continue to ensure that our staff care for our most vulnerable residents across the County.

We couldn't do what we are doing if you weren't doing what you are doing so from us to you.... Thank you!
