

Dear Parents & Carers

**Nursery Family Wall**

We would like to add a family wall to the entrance of our nursery. Having photographs from home around the setting, helps with smooth transitions and also opens up important dialogues between teachers and children.

It would also support us when we cover our topic 'People who help us' next term.

We would love it if you could either send in a family photograph or alternatively email it across to [admin@ellington.northumberland.sch.uk](mailto:admin@ellington.northumberland.sch.uk).

**Key Information for Nursery**

**PE**

Children will need their PE kits in every Monday for our PE session. PE kits can be left at school to ensure that your child can participate in the session every week. Please could you also tie hair up and remove all jewellery.

The PE kit should include:

PE top, shorts, sandshoes and socks - all of which should be named.

**Library Books**

We change the reading books every Tuesday, so if you would like your child's book changed, then please make sure that they bring their reading bag and book so that they can select a new book to take home.

**Outdoor Sessions**

We try and get outside as much as possible come rain or shine so please ensure that your child has a coat and wellies in school every day. We recommend keeping the wellies at school to ensure your child can explore our muddy environment.

**Toys from home**

We love to see the children's interests from home, but recently we have had some upset children after their special toys have been lost or broken in nursery. Please try and discourage your child from bringing in special items from home to avoid such upset.

Thank you

**Mrs Horsley**
