

Dear Parents & Carers

Gymnastic Demonstrations

We are very proud of our programme of Physical Education and would like to invite you into school to watch your children perform gymnastic routines that are an accumulation of their efforts during the first half of the spring term. The dates and times at which each class will be performing their routines are listed below.

Class	Date	Time
Reception	Friday 14 th February	10am
Year 1	Tuesday 11 th February	9am
Year 2	Wednesday 12 th February	9am
Year 3	To be arranged for Spring Term 2	
Year 4	Friday 14 th February	9am
Year 5 & Year 6	Tuesday 11 th February	1pm

Safer Internet Day 2020

Next week, we will be joining schools and youth settings across the UK in celebrating **Safer Internet Day 2020**. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and wider, to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in school, and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year. We will be holding a 'design an avatar' competition between the classes and delivering a range of e-safety activities appropriate to each year group throughout the week.

We'd be delighted if you could join us in celebrating the day by continuing the conversation at home. To help you with this you may be interested in downloading the **free** Safer Internet Day resource pack for parents and carers which is available here: saferinternet.org.uk/sid-parents.

There are also [top tips](#), [a quiz](#) and [films](#) which you can use at home with your child.

Some other resources which you may find helpful in supporting your child online are:

- Advice for parents and carers from [Childnet](#)
- Tips, advice and guides for parents and carers from the [UK Safer Internet Centre](#)
- Guides on popular apps and games from [NetAware](#)
- Reviews and information about games, apps, TV shows and websites from [Common Sense Media](#)
- Help on using parental controls and privacy settings from [Internet Matters](#)
- Information and reporting of online grooming or abuse from [CEOP](#)

Online safety is an important issue which as a school we are committed to teaching our pupils about.

If you have any concerns or questions about keeping your child safe online, please do get in touch with your child's class teacher, Mrs Richardson our computing co-ordinator, or with Mr Vardy and Mrs Pirie, our Designated Safeguarding Leads.

Yours sincerely

Mr K. Vardy
Headteacher
