

English

Our reading text will continue to be Holes by Louis Sachar where the children will expand their vocabulary whilst developing their retrieval and inference skills. Our writing stimuli will consist of Unspoken (a picture story) and Holes (fiction). We will be writing with the purpose to entertain and discuss respectively.

Science

Our 'Animals including Humans' topic will involve learning about the life cycle of a human being, investigating the development of babies and compare the various gestation periods.

 **French** We will be learning about items of clothing in our new topic.

Maths

We will originally be focusing on properties of shape where we will be drawing and calculating missing angles on a straight line, around a point and within triangles and quadrilaterals. We will then progress to our geometry topic with a focus on position and direction before concluding the year by recapping on our year 5 knowledge.

Ellington Primary School

YEAR 5 CURRICULUM MAP Summer 2

History

During our 'What does the census tell us about our local area?' topic, we'll be using the census to make inferences.

Art & Design

Throughout our 'Design for a Purpose' unit, we'll use a range of techniques to be able to experiment with different concepts.

PSHE

We will learning all about the concepts of money during our new unit: 'Economic Wellbeing.'

Music

Our topic 'Reflect, Rewind and Replay' consolidates the learning that has occurred during the year.

Computing

During our 'Selection in Quizzes' topic we will be exploring selections to design & code a quiz in Scratch.

PE

Our Athletics topic for this half term will have a focus on improving our running, jumping and throwing skills.

RE

Our new topic is: What matters most to Christians and Humanists? We will be exploring the importance of life codes.
