

# Geography

## Curriculum End Points

### Year Four

### Topic: Where does our food come from?

- Identify that different foods grow in different biomes and say why.
- Explain which food has the most significant negative impact on the environment.
- Consider a change people can make to reduce the negative impact of food production.
- Describe the intentions around trading responsibly.
- Explain that food imports can be both helpful and harmful.
- Describe the journey of a cocoa bean.
- Locate countries on a blank world map using an atlas.
- Use a scale bar correctly to measure approximate distances.
- Collect data through an interview process.
- Analyse interview responses to answer an enquiry question.
- Discuss any trends in data collected.
