

English

For reading, we will read the action-adventure story *Podkin One Ear*. We will also be writing to entertain by writing an alternative narrative based on *The Lion, The Witch and the Wardrobe*. We will also be writing to persuade by writing a letter arguing against the deforestation of the Australian Rainforests.

Science

We will be covering a unit on habitats including by looking at classification keys and the impact that humans have on a variety of habitats.

French

This unit will be teaching the children to answer the question, 'What is the weather like?'.

Maths

This half term will start off by focussing on telling the time. We will then revisit formal written methods for the four operations. We will return to fractions including by learning to count in hundredths and fifths. The children will also progress their learning by starting to learn equivalent decimals to fractions e.g. $1/2=0.5$.

Ellington Primary School YEAR 4 CURRICULUM MAP

History

The children will be exploring how the achievements of the Ancient Mayans affected their society and beyond.

Art & Design

The children will be exploring works of art to understand the feeling and meanings being expressed.

PSHE

We will continue with our safety and changing body unit then move onto economic wellbeing.

Summer 1

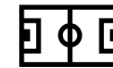

Music

The children are starting brass lessons this half term with Mrs Chinnery. We will also be singing the performance songs.

Computing

E-safety: Privacy and security. Children will also be programming using Logo.

PE

Children will learn how to win a game of tennis and how to strike a ball in golf.

RE

Children develop an understanding of the Christian concept of Pentecost.
