

English

Our reading text is: Once by Morris Gleitzman.

In writing, we will be creating spooky suspense stories based on the animations: 'Alma' and 'Francis'.

Science

Our unit is Electricity and we will be building on our learning from Year 4. Our key scientists are Michael Faraday and William Kamkwamba.

French

My home. We will learn about the names of common rooms in the home.

Maths

We will be revising key skills learnt in Y3-Y5 including equivalent fractions; adding and subtracting fractions and converting improper fractions to mixed numbers. In addition to this, we will be getting to grips with basic algebra. We will also explore geometry.

Ellington Primary School YEAR 6 CURRICULUM MAP

History

Who should go on the banknote? This unit prepares the children for Key stage 3 History. It gives them the historical skills of inference, extracting information from sources, evaluating historical figures and the opportunity, to decide their criteria for significance.

Art & Design

Year 6 will revisit their still life skills, creating a variety of pieces influenced by different artists and using a range of mediums.

PSHE

We will learn about the economic wellbeing and how to look after our money in bank accounts.

Summer Term 1

Music

Music and Me
Focusing on inspirational women working in music, and part of Brighter Sound's pioneering gender equality initiative 'Both Sides Now'.

Computing

We will plan, develop and evaluate 3D computer models. In E-Safety, we will be looking at privacy and security.

PE

We will be learning how to play cricket, with a particular focus on striking and fielding.

RE

For Christians, what kind of king is Jesus? Children will learn about connections between belief in the Kingdom of God and how Christians put their beliefs into practice in different ways, including in worship and in service to the community.
