

Ellington Primary School

'Believe and Achieve'

Nursery Long Term Overview 2023-2024

Ellington Primary EYFS Vision	Our aim is to create a remarkable foundation for champions to flourish. We want every child to excel and become resilient, self-motivated, life-long learners.					
Ellington Primary School Values	*Honesty	*Respect	*Pride	*Resilience	*Teamwork	*Happiness

Area of Learning	Autumn A	Autumn B	Spring A	Spring B	Summer A	Summer B
<p>Possible Themes/Interests/Lines of Enquiry <i>(These themes may be adapted at various points to allow for children's interest)</i></p>	<p>Colour Chaos! (8)</p> <p>1. Settling in! 2. Me and my family 3. Colours 4. Seasonal Changes Autumn</p>	<p>Sparkle and Shine (7)</p> <p>1. Light and Dark Festivals (Bonfire, Diwali) 2. Seasonal Changes Winter 3 It's Christmas!</p>	<p>Once upon a Bear (6)</p> <p>1. Goldilocks and the Three Bears 2. We're Going on a Bear Hunt</p>	<p>How does your garden grow? (5)</p> <p>1. Growing 2. Seasonal Changes Spring Time (Easter)</p>	<p>To the Rescue (6)</p> <p>1. Supertato/ Superheroes 2. Our Families are superheroes 3. People who help us</p>	<p>Animal Antics (7)</p> <p>1. Zoo animals 2. Handa's Surprise 3. Minibeasts</p>
High Quality Texts

		Christmas Performance			Parent Visitors (Jobs)	
Ellington Champions: Ranger Hamza 	Who is Ranger Hamza?	What does Ranger Hamza celebrate?	What animals does Ranger Hamza like?	Who is Ranger Hamza family?	What is Ranger Hamza's Job?	How does Ranger Hamza help the world?
Mainstream Curriculum links	Year 1 – What is the weather like in the UK? Year 1 – How am I making history? Year 4 – How have children's lives changed? Year 1 – The Human Body Year 1 – Seasonal Changes Year 2 – Growing Up	Year 1 – What is the weather like in the UK? Year 2 – Why is our world wonderful? Years 1 and 2 - Materials	Year 2 – Why is our world wonderful? Year 2 – Would you prefer to live in a hot or cold place? Year 5 – Why do oceans matter? Year 1 – How have explorers changed the world Y1 – Animals Year 2 – Living things and their habitats	Year 1 – What is the weather like in the UK? Year 1 – Caring for the Planet Year 1, and 3 – Plants Year 1 – Growing and Cooking Year 3 – Soils		Year 1 – What is the weather like in the UK? Y1 – Animals Year 2 – Living things and their habitats Year 2 – Wildlife
Communication and Language						
*Listening, Attention and Understanding				*Speaking		
Three and Four Year Olds	<ul style="list-style-type: none"> *Listen to an adult during an adult led activity *Listen to adults/children in a small group *Understand a question with two parts like “Can you get your coat and wait by the door please?” *Identify familiar objects and 	<ul style="list-style-type: none"> * Listen to simple stories and understand what is happening, with the help of the pictures. *Able to follow directions with 3 parts *Able to select an object based on its use *Understand and act on longer sentences like make teddy 	<ul style="list-style-type: none"> *Enjoy listening to longer stories and can remember much of what happens. *Follow body percussions of 3 *Understand ‘how’ and ‘why’ questions *Start a conversation with adults and friends *Speak in a full sentence 	<ul style="list-style-type: none"> *Listen to others in a small group when not following my own interests *Listen to and learn rhymes *Hear rhyming words *Give a word which rhymes with another *Able to follow instructions which involve holding 3 items: e.g. bring the 	<ul style="list-style-type: none"> *Listen in a larger group *Enjoys listening to longer stories and can remember what happens in them. *Focuses on a chosen activity for at least ten minutes *Follow longer instructions whilst engaged in an activity *Understand and follow instructions 	<ul style="list-style-type: none"> *Sits quietly and listen for fifteen minutes *Join in at group time by putting up hand and waiting their turn to talk *Able to move away from distractions when concentrating *Listen and attend well in the nursery even when there are distractions

	<p>properties for practitioners when they are described. For example: 'blue car', 'shiny apple'</p> <ul style="list-style-type: none"> * Respond to an adult's conversation *Ask what, who, where questions *Use plurals *Talk about what I am doing *Answer a register with good morning/good afternoon * Use consonants correctly (k/c, g, f, s and y)in my consonant range *Know a few simple songs 	<p>jump or find your coat</p> <ul style="list-style-type: none"> *Understands and uses simple questions about 'who', 'what' and 'where' *Be able to talk about familiar books *Join in with repeated refrains in a story 	<ul style="list-style-type: none"> *Have a bank of songs *Comment on what they hear *Use various tenses 	<p>banana, plate and knife from...</p> <ul style="list-style-type: none"> *Learns lots of new words and use them in play *Ask my own questions in a range of situations *Know many rhymes * Use consonants correctly (z, v, sh, ch, j, and ng)in my consonant range 	<p>containing 'before', 'after', 'first,</p> <ul style="list-style-type: none"> *Answer simple problem solving questions: e.g. What do you do if you are cold? *Use talk to organise play e.g. "Let's go on a bus...you sit there... I'll be the driver" *Start to use connectives to link ideas – and, because, so *sustain a two way conversation with an adult/child 	<ul style="list-style-type: none"> *Understands when asked questions like "Why do you want to wear your boots today?" and "How can we mop up the juice?" *understand more complicated instructions e.g. roll up your sleeves, put on an apron and go to the painting area *Uses longer sentences of four to six words when talking *Be able to talk about thoughts even when they disagree and can discuss this using words and actions *Use most consonants correctly (l, r, , th, may be still developing)
<p>Knowledge and Skills Overview</p>	<ul style="list-style-type: none"> *Learn vocabulary linked to themselves *Talk About Yourself! *Learn vocabulary linked to themselves *Tell me about differences! *Learn vocabulary linked to Autumn 	<ul style="list-style-type: none"> *Learn vocabulary linked to celebrations *Learn about different cultures and festivals *Use comparative language *Learn vocabulary linked to Winter/Christmas 	<ul style="list-style-type: none"> *Recount an event! *Learn vocabulary linked to traditional stories *Be able to talk about weekend/holiday news *Learn story vocabulary *Learn vocabulary linked to Winter 	<ul style="list-style-type: none"> *Tell me why! *Be able to talk about familiar books, and be able to tell a longer story *Develop scientific based vocabulary *Learn vocabulary linked growth *Learn vocabulary linked to Spring 	<ul style="list-style-type: none"> *Tell me a story! *Explains describe and recount *Use comparative vocabulary – same/different *Use language linked with jobs *Understand who can help us *Understand how people help us 	<ul style="list-style-type: none"> *Know what good listening looks like *Explain your thinking! *Stick to the topic *Add detail to talk *Clarify ideas by a running commentary to self/others *Use a wide range of words correctly and in context *Learn vocabulary linked to science and

						the life cycle of a butterfly *Learn vocabulary linked to Summer
Personal, Social and Emotional Development						
*Self-Regulation *Managing Self *Building Relationships						
Three and Four Year Olds	<ul style="list-style-type: none"> *Wait my turn with adult support *Choose where to work from a choice *Use resources with help *Separate from carer with support *Know the children belong in their group/class *Know the areas in the nursery and what we do there *Know we are part of a family and community Independence *Know the nursery boundaries, rules, sanctions, rewards and routines *Know about people in the community who keep us safe/healthy – Dentist, Police etc. *Talk to children in play *Seek adult support to have needs met 	<ul style="list-style-type: none"> *Choose what I want to do there and find the resources I need *Tolerates delay when needs not met immediately *Source/request resources to follow their plans *Follow daily routines with some support *Initiate and join in play *Engage in pretend play *Build relationships with adults/children through talk 	<ul style="list-style-type: none"> *Take turns playing a game in a group with an adult *Talk about what they have done/made in a small group *Say how they feel *Identify other's feelings in stories *Talk about what they intend to do and how *Follow daily routines with developing independence *Actively seek out others *Form friendships with others *Keep play going by responding to what others are doing 	<ul style="list-style-type: none"> *Engage in the company of other children *Identify other's feelings when they are obvious *Work towards individual and shared rewards * Have self-chosen friends *Initiate conversations with adults and children 	<ul style="list-style-type: none"> *Use words to negotiate rather than actions * Usually adapt behaviour to different situations *confident asking adults for help *Know why rules are important *Show sympathy towards children in distress *Explain my understanding to others *Ask questions of others *Begin to use talk to negotiate and manage conflict 	<ul style="list-style-type: none"> *Pleased to win games *Switch between activities and areas *Regulate feelings by drawing on strategies known *Recognise that living things have feelings *Deal with change positively *Adapt their plans and review their progress with increasing independence *Adapt behaviour to different situations *Respond with resilience to challenges *Listen to others and sometimes accept their ideas in play *Play cooperatively most of the time
Knowledge and Skills Overview	<ul style="list-style-type: none"> *Select activities from those available with adult help 	<ul style="list-style-type: none"> *Set the table for snack 	<ul style="list-style-type: none"> *Can use a knife to cut food *Goes to the toilet 	<ul style="list-style-type: none"> *Talk about what they might do to adapt work 	<ul style="list-style-type: none"> *I choose from a range of activities 	<ul style="list-style-type: none"> *Know that all emotions are ok but not all responses are

	<ul style="list-style-type: none"> *Eat using a spoon and fork *Tells an adult they need the toilet *Tells an adult if hungry/tired *Can wash/sanitise hands with support *Learn the names of new children *Learn the names of the adults 	<ul style="list-style-type: none"> *Know how to return the resources correctly *Know the names of feelings – happy, sad, worried, excited, proud, angry *Put on a coat/waterproof independently 	<ul style="list-style-type: none"> *Can pour a drink *Can drink from a cup (one handed) *Can wash/sanitise hands with independently *Fasten a zip on a coat/waterproof 	<ul style="list-style-type: none"> *Use a knife and fork correctly *Use a knife to spread 	<ul style="list-style-type: none"> *Know some simple strategies for managing their feelings *Know we are part of the wider world *Dry and clean through the day *Know how to meet some care needs, such as brushing teeth, using the toilet, and wiping my bottom washing and drying my own hands 	<ul style="list-style-type: none"> *Remove and replace socks and shoes/jumpers etc. *Know some foods are good for you *Know that other's may have different ideas and that is ok
--	---	--	--	---	--	---

Physical Development
***Gross Motor *Fine Motor *Visual Discrimination**

Three and Four Year Olds	<ul style="list-style-type: none"> *Move freely in a range of ways *Negotiate obstacles/corners *Hold a simple body shape *Climb steps with alternate feet * Use large muscle movements to wave flags and streamers, paint and make marks *Match physical skills to tasks and activities in the setting. *Recognise something when only shown part of the object 	<ul style="list-style-type: none"> *Move freely in a range of ways. *Run skilfully with wheeled toys, turning around obstacles and corners. *Match physical skills to tasks and activities in the setting. *Climb with confidence * Use large muscle movements to wave flags and streamers, paint and make marks *Apply increasing pressure with a pencil 	<ul style="list-style-type: none"> *Be aware of others and space *Walk up to 10 steps using alternate feet. *Develop balance. *Choose the right resources to carry out their own play. *Work with others to move large construction resources safely *Show a preference for a dominant hand *Use a range of printing tools *Match an unfamiliar shadow to a picture *Match the letters of their name to name strip with support 	<ul style="list-style-type: none"> *Traverse the climbing wall *Run smoothly with changes in speed, negotiating space successfully. *Jump off an object and land appropriately. Travel with increasing confidence and skill over, under, around and through equipment. *Match the letters of their name to name strip independently *Climb low level ladders using alternate hands and feet. 	<ul style="list-style-type: none"> *Use a range of resources to build a den *Know different ways of attaching resources – e.g. string, pegs *Construct more complex models with large construction * Copy most letters from name 	<ul style="list-style-type: none"> *Use large materials to build an outdoor construction *Use a variety of PE resources *Increasingly use and remember sequences and patterns of movements which are related to music and rhythm *Find a space and play a spatial awareness game *Build models with construction kits *Use cutlery effectively without support
---------------------------------	---	---	--	---	--	--

	<ul style="list-style-type: none"> *Find and point out pictures from a book 	<ul style="list-style-type: none"> *Match a familiar item to its shadow at tidy time 		<ul style="list-style-type: none"> *Become increasingly independent when getting dressed (including zipping up). *Start taking part in group activities which they make up themselves or in teams. *Collaborate with others to manage large blocks planks. 		
Knowledge and Skills Overview	<ul style="list-style-type: none"> *Ride trikes *Run with wheeled toys *Roll dough into a ball/sausage *Stack 10 blocks *Use large tweezers *Hold a pencil between 2 fingers and thumb *Trace zig zag patterns *Hold scissors *Snip with scissors *Copy a cross (+) and circle *Draw a person with a head and 2 features (eyes & mouth) *Use a large paintbrush and hold it correctly. *Use a spoon and fork 	<ul style="list-style-type: none"> *Ride scooters *Climb on tyres with safety and jump off *Balance on a beam *Traverse the A frame *Build 3 steps with 6 cubes *Build 3 block bridges from a model *Trace wavy patterns *Hold scissors *Copy a v shape *Draw a person with head and legs *Trace a simple house *Use paint palettes *Use a fork to hold food still to cut 	<ul style="list-style-type: none"> *Run, jump, hop, skip *Hold a body shape *Construct with large construction *Use large construction blocks with safety *Thread objects *Use large tweezers to pick up small items *Copy first letter of name *Cut out a straight line *Draw a house *Trace a simple person *Can use a knife to cut food 	<ul style="list-style-type: none"> *Play running and chasing games *catch a large ball with two hands *Throw a large ball *Sit upright on the carpet *Build 3 steps from 6 cubes from a model *Have a comfortable tripod hold *Trace anti-clockwise patterns *Cut a zig zag line *Draw a person with a head, body, arms, legs and fingers *Explore smaller brushes *Can use a knife to spread 	<ul style="list-style-type: none"> *Hang from the A frame *Sit correctly at a table *Cut out shapes with curved lines *Copy simple shapes – circle, square, cross *Select a correct sized brush for a task *Use a knife to push food onto a fork (e.g peas) *Use a pencil with some control. 	<ul style="list-style-type: none"> *Hold the paper *Use a pencil with some control *Cut a range of simple shapes *Draw with increasing detail *Use tools to create a picture

Literacy							
	*Comprehension	*Word Reading	*Writing				
Three and Four Year Olds	<ul style="list-style-type: none"> *Listen and enjoy sharing books *Recognise rhythm in words *Blend compound words (snow-man) *Know signs and symbols carry meaning *Ascribe meaning to marks when drawing and painting <p>Phase 1 Phonics Focus Aspect 1</p> <ul style="list-style-type: none"> *Discrimination between general environmental sounds 	<ul style="list-style-type: none"> *Listen and respond to stories by answering simple questions *Hold a book correctly, handle with care and turn pages from front to back *Fill in missing phrases and words in known stories *Recognise own name *Provide a running commentary when mark making <p>Phase 1 Phonics Focus Aspect 2 and 3</p> <ul style="list-style-type: none"> *Discriminate between musical instruments sounds *Listen and repeat sound and body patterns 	<ul style="list-style-type: none"> *Actively listen to stories *Can retell familiar stories *Listen to a full story and answer questions *Orally blend 3 syllable words (E-lephant) *Copy the first letter of name *Match the letters of their name to name strip with support *Say what writing means <p>Phase 1 Phonics Focus Aspects 4 and 5</p> <ul style="list-style-type: none"> *Develop understanding of rhythm and rhyme *Develop understanding of alliteration *Make various sounds with the voice 	<ul style="list-style-type: none"> *Listen to and learn rhymes and poems *Respond to Rhymes *Give a rhyming word *Use speech influenced by books *Use writing around the nursery <p>Phase 1 Phonics Focus Aspects 6</p> <ul style="list-style-type: none"> *Make various sounds with the voice 	<ul style="list-style-type: none"> *Retell a familiar story * Read Simple Non-Fiction books *To talk about the places and people in stories and the important things that are happening *To write some or all of my name *Say what I am going to write before doing it *Form some letters from their name correctly *Hear the initial sound in a word *Recognise words with the same initial sound orally *Copy most letters from name <p>Phase 1 Phonics Focus Aspect 7</p> <ul style="list-style-type: none"> *Begin to Orally Blend and segment words 	<ul style="list-style-type: none"> *Recall familiar stories and use them to support play *Have conversations about stories and using learnt vocabulary *Orally blend three syllable words. *Look at book independently and know that print carries meaning. *Recognise words with the same initial sound. *Represent some sounds correctly when writing *Form most of the letters in their name correctly <p>Phase 1 Phonics Focus Aspect 7</p> <ul style="list-style-type: none"> *Orally Blend and segment words and begin to recognise words with the same initial sound 	

Knowledge and Skills Overview	<ul style="list-style-type: none"> *Talk about key features of a familiar story *Say who was in the story (character) *Say where they were (setting) *Clap name syllables 	<ul style="list-style-type: none"> *Know what sound name starts with *Know writing and drawing is different * Tracing patterns 	<ul style="list-style-type: none"> * Begin to understand the five key concepts about print: <ul style="list-style-type: none"> - print has meaning - print can have different purposes - we read English text from left to right and from top to bottom - the names of the different parts of a book *See letters from name in other words *Know words are made up of letters *Tracing patterns 	<ul style="list-style-type: none"> *Spot a mistake in a rhyming activity *Match the letters of their name to name strip independently *Retrace a vertical line in a handwriting pattern 	<ul style="list-style-type: none"> *Know how to use non-fiction books *Uses some print and letter knowledge in early writing. *Add a correct rhyming word 	<ul style="list-style-type: none"> *Know that stories have beginnings and endings and sometimes guess how the story will end *Able to make up own stories, with characters, a beginning, middle and an end *Spot and suggest rhymes.
--------------------------------------	---	---	--	--	--	---

Mathematics

***Number *Numerical Patterns**

Three and Four Year Olds	<ul style="list-style-type: none"> *Explore colour and colour mixing *Make comparisons between objects relating to size *Complete inset puzzles *Compare sizes using gestures and language 'bigger/little/small' *Talk about and explore 2D shapes using informal and mathematical language sides, corners, straight, flat *Make comparisons between objects relating to size 	<ul style="list-style-type: none"> *Develop fast recognition of up to 3 objects, without having to count them individually ('subitising'). *Say one number for each item in order: 1,2,3,4,5. *Know that the last number reached when counting a small set of objects tells you how many there are in total *Show 'finger numbers' up to 5. *Extend and create ABAB patterns – stick, leaf, stick, leaf. 	<ul style="list-style-type: none"> *Develop fast recognition of up to 3 objects, without having to count them individually ('subitising') *Show 'finger numbers' up to 5 Say one number for each item in order: 1,2,3,4,5. *Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle'). *Link numerals and amounts: for 	<ul style="list-style-type: none"> *Recite numbers past 5. *Subitise within 5 *Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle'). *Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5. *Talk about and explore 2D and 3D shapes (for example, circles, rectangles, 	<ul style="list-style-type: none"> *Compare quantities using language: 'more than', 'fewer than'. *Explore the composition of numbers to 10. *Subitise within 5 *Recite numbers past 5. *Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle') *Link numerals and amounts: for 	<ul style="list-style-type: none"> *Begin to describe a sequence of events, real or fictional, using words such as 'first', 'then...' *Understand position through words alone for example, "The bag is under the table," with no pointing. *Talk about and explore 2D and 3D shapes (for example, circles, rectangles, triangles and cuboids) using informal and mathematical language: 'sides', 'corners'; 'straight', 'flat', 'round'
---------------------------------	---	---	---	--	--	---

		<p>*Notice and correct an error in a repeating pattern.</p>	<p>example, showing the right number of objects to match the numeral, up to 5. *Experiment with their own symbols and marks as well as numerals. *Make comparisons between objects relating to size and capacity.</p>	<p>triangles and cuboids) using informal and mathematical language: 'sides', 'corners'; 'straight', 'flat', 'round' *Make comparisons between objects relating to length and weight</p>	<p>example, showing the right number of objects to match the numeral, up to 5</p>	<p>*Explore the composition of numbers to 10. *Recite numbers past 5. *Solve real-world mathematical problems with numbers up to 5</p>
<p>Knowledge and Skills Overview</p>	<p>*Name and recognise colours *Sort and match buttons, socks, shoes, towers *Match number shapes *Match colours, shape and size *Talk about what they notice when an adult has sorted *Identify similarities and differences between sorted groups.</p>	<p>*Learn all about the number 1 and 2. *Subitise using dice patters, different patterns and sizes for the numbers 1 and 2 *show the correct amount of fingers for 1 and 2 *Practise counting numbers up to 2 *Find the correct numeral for numbers 1 and 2 *Create patterns with colours, objects and body percussion. *Be able to spot the mistake and continue a pattern. Begin to sing number rhymes within 5</p>	<p>*Learn all about the number 3, 4 and 5 *Subitise using dice patters, different patterns and sizes for the numbers 3, 4 and 5 *show the correct amount of fingers for 3, 4 and 5 *Practise counting numbers up to 5 *Find the correct numeral for numbers up to 5. *Introduce a 5 frame *Explore capacity and size of objects linked to Goldilocks story. *Learn number rhymes within 5.</p>	<p>*Subitise within 5 *show the correct amount of fingers for 3, 4 and 5 *Practise counting numbers up to 5 *Find the correct numeral for numbers up to 5. *Count up to 6 *Introduce a tens frame *recognise triangles, squares, rectangles, circles, pentagons *Compare lengths *Introduce balance scales</p>	<p>*Be able to use the words more and fewer *Explore numbers that make 3,4,5 *Children to be able to identify what comes before, after using a number stick. *Be able to match quantity to numerals up to 5. *Put numbers up to 5 in the correct order. *Create patterns</p>	<p>*Sequence pictures from Handa's surprise *Use Handa's surprise to describe position. *Using African art – children identify the properties of 2-D shapes. triangles, squares, rectangles, circles, pentagons *Explore 3-D shapes cube, cuboid, cylinder, sphere</p>

Understanding the World

***Past and Present**

***People, Culture and Communities**

***The Natural World**

History Geography Science R.E Computing

Three and Four Year Olds

*Talk about what they see and experience
 *Respect and care for the environment
 *Use all of their senses in hands-on exploration of natural materials.
 *Observe the changes in the garden and local area in Autumn
 *Interested in photographs of themselves and family.
 *Begin to make connections between the features of their family and other families
 Shows curiosity about people.
 Show interest in stories about people

*Make connections between the features of their family and other families.
 *Explore collections of materials with similar and different properties.
 *Explore natural materials indoors and outdoors
 *Talk about similarities and differences
 *Talk about the differences between materials and changes they notice.
 Begin to make sense of their family history
 Develop positive attitudes about the differences between people.

*Talk about what they see, using a wide vocabulary.
 *Sense of local community.
 *Know that there are different countries in the world
 *Talk about differences they see in materials as they change (porridge)
 *Explore collections of materials with similar and different properties.
 *Recount past events and news

*Know that there are other countries in the world through story
 *Begin to understand the need to respect and care for the natural environment and all living things.
 *Plant seeds and watch their growth
 *Understand the life cycle of a plant
 *Talk about what they notice using their senses
 *Observe changes during growth
 *Observe the changes in the garden and local area in Spring
 *Explore forces
 *Talk about past experiences of celebrating Easter

*Identify roles and occupations in the community which keep us healthy
 *Be interested in different occupations
 Explore local community and recall all of the community visitors from through the year.
 Talk about what they see using a wide range of vocabulary.
 Observe changes over time.
 Explore changes in the history of aretfacts (What did they use in the past to help people?)
 .*Take photographs using the ipad

*Be interested in different occupations
 *Know that life may be different in other countries
 *Talks about similarities and differences in cultures through story
 *respect and care for living things
 *Begin to understand the need to respect and care for the natural environment and all living things.
 *Explore forces (magnets)
 *Understand the key features of the life cycle of an animal.
 *Observe the changes in the garden and local area in Summer
 *Observe and talk about past significant events
 *Talk about experiences in nursery and transition into Reception

Knowledge and Skills Overview

*Know our school is in Ellington
 *Compare ourselves to our friends – what is the same/different

*Talk about experiences of bonfire night
 *Talk about past experiences of

*Comment on how to care for living things
 *Explore how things work and change over time

*Know how/why Easter is celebrated
 *Joins in with celebrations which are special to them

Ask questions about different occupations
 Understand how people can help us
 Use vocabulary to describe change

*Talk about what they see in stories
 *Use comparative language to compare life in Ellington to other countries.

- *Know it is ok to be different
- *Identify roles and occupations in the nursery
- *Explore the indoor and outdoor area
- *Talk about what they see and experience
- *Listen and comment on stories about Autumn
- *Sort materials (float/sink)
- *Have a sense of self
- *Name who lives in their house
- *Talk about extended family members

- *Know how to use an app on an iPad

celebrating Christmas

- *Know Christians celebrate Xmas
- *Know about some cultural traditions – Xmas, Bonfire, Halloween
- *Know how/why Christmas is celebrated
- *Begin to be aware that different cultures have special stories and celebrations
- *Talk about differences they see in materials as they change (clay)
- *Observe the changes in the garden and local area in Winter
- *Listen and comment on stories about Winter
- *Know how to find information with a computer

- *Use vocabulary related to the past
- *know how to use a paint app

- *Know some things that a plant needs to grow
- *Use vocabulary related to growth and Spring

Shows curiosity about people.
Show interest in stories about people.
*Explore artefacts linked to the past
*Take a photograph with an iPad

- *Know about the role of a vet
- *Uses scientific language to describe changes to the caterpillar
- *Shows curiosity about people.
- *Show interest in stories about people.
- *Know how to find information with a computer

Expressive Arts and Design

***Creating with Materials *Being Imaginative and Expressive**

Art D.T Music

Three and Four Year Olds

- *Explore different materials freely and develop ideas about how to use them and what to make.
- *Create closed shapes with continuous lines.
- *Name Primary colours
- *Explore mixing colours
- *Mix primary colours to create secondary colours (poster paint)
- *Know how to put on an apron
- *Use available role play resources to recreate experiences
- *Using costumes to support role play
- *Act out first hand experiences in role play and small world
- *Start to develop pretend play, pretending that one object represents another
- *Explore musical instruments
- *Enjoy and take part in action songs/nursery rhymes

- *Use their imagination as they consider what they can do with different materials.
- *Make simple models which express their ideas
- *Use resources available to them to create a clay Diwali lamp
- *Deciding what to make and what is needed (Card)
- *Know how to use a hole punch (Threading Owl Calendar)
- *Continue to explore mixing colours
- *Create a collage in mixed media
- *Add mixed media to decorate Diwali lamp
- *Use story props to act out familiar stories
- *Take on the role of familiar people
- *Begin to develop storylines with adult support
- *Tap name syllables
- *Watching and responding to a live performance
- *Responding to their own performance

- *Plan a 3D construction (Chair for BB)
- *Talk about what they have done/made
- *Evaluate the end result
- *Use a colour for a purpose
- *Explore pastels as a mark making implement
- Create a 3D construction from construction kits/junk modelling
- *Draw with texture
- *Use available role play resources to recreate experiences
- *Using costumes to support role play of stories (Home & 3 Bears cottage) &
- *Play alongside others involved in the same theme
- *Use available construction and resources to make small world situations
- *Retell a familiar simple story
- *Talk about music they have heard – fast/slow
- *Move to a beat

- *Know how to overlap bricks to build a strong wall
- *Evaluate the end result
- *Decide if they would they adapt it
- *Learn techniques for printing
- *Use natural materials to make patterns and pictures
- *Explore colouring in within the lines
- *Use available role play resources to recreate experiences
- *Using costumes to support role play of stories
- *Explore using loose parts and general small world resources to act out stories
- *Pretend with others with each having a role
- *Explore different sounds

- *Exploring attaching with string (Dens)
- *Create a large scale construction mixed media (Dens)
- *Evaluate and change design
- *Plan and design an evil villain
- *Explore colouring in within the lines
- *Use mixed media to create
- *Use drawings to represent ideas like movement or loud noises.
- *Create collaboratively sharing resources, ideas and skills.
