

English

This half term, we will complete our informative writing based on the 'Abominables' and we will be doing some entertaining writing based on 'Leon and the Place Inbetween' by Angela McCallister. We will also explore the visual stimulus, 'The Girl and the Robot'. In reading, we will begin to study 'How to Train Your Dragon' by Cressida Cowell.

Science

We will be finding out all about forces and magnets, including learning about pushes and pulls, the attractive and repulsive magnetic forces and which materials are magnetic.

Maths

We will complete a unit of work on the 2,4 and 8 times tables. We will then learn the formal method for column subtraction. Towards the end of the half term, we will begin to work on unit fractions.

Ellington Primary School

YEAR 3

CURRICULUM MAP

French

We will complete a unit of work on musical instruments, and start to learn the names of fruits in French.

Geography

We will be finding out why rainforests are important to us. We will focus on the Amazon rainforest; learning where it is, who lives there and how it is changing.

Design & Technology

We will learning about smart wearables and writing a program that initiates a flashing LED on a Micro:Bit (a pocket-sized, codeable computer).

PSHE

We will learning about economic wellbeing. We will find out about ways of paying, budgeting, how our spending affects others and about jobs and careers.

Summer Term 1

Music

We will be working on songs for our year 3/4 musical, including performing in parts and in small groups.

Computing

We will learn how to use tools and settings in a piece of desktop publishing software.

PE

We will be working on cricket this half term. We will be developing our skills with striking the ball and fielding.

RE

We will be focusing on Christianity. Our learning will be around the enquiry question 'What kind of world did Jesus want?'
