

English

Our class text for this term is *There's a Boy in the Girls' Bathroom* by Louis Sachar which we will be using for reading lessons. In Writing, we will be using *Where the River Meets the Sea* by Jeannie Baker to write a persuasive letter and we will be writing fables inspired by Aesop.

Science

In Science we will be studying deforestation for a sustainability unit, the digestive system in biology and food chains which is another biology unit.

French

Au salon de thé (At the Tea Room). Pupils will learn the knowledge and skills needed to role-play being in a French tea room.

Maths

As in Autumn and Spring, we will complete daily CLIC sessions to power our learning of Core Maths (Counting, Place Value, Number Facts, Calculation etc.) In amounts we will be looking at converting between millilitres and litres. We will also be expressing perimeter using algebra. In Shape, we will be drawing simple 2D shapes from given coordinates.

Ellington Primary School

YEAR 4

CURRICULUM MAP

Geography

We will be answering the question What are rivers and how are they formed?

Art & Design

Art Day: Light and Dark focussing on painting using tints and shade.

PSHE

Lessons are looking at economic wellbeing and we will be preparing for transition to Year 5.

Summer Term 2

Believe and achieve

Music

The children are continuing with Mrs Chinnery delivering brass lessons.

Computing

E safety: Copyright and ownership. Children will manipulate digital images, and reflect on the impact of the changes.

PE

Athletics and rounders. Helping the children to prepare for Sports Day.

RE

We will be answering the question, 'How and why do people celebrate the significant events in their life?'
